Java SE 27 & JDK 27

Class FileLockInterruptionException

java.lang.Object
  java.lang.Throwable
    java.lang.Exception
      java.io.IOException
        java.nio.channels.FileLockInterruptionException

All Implemented Interfaces:

Serializable

```
public class FileLockInterruptionException
extends IOException
```

Checked exception received by a thread when another thread interrupts it while it is waiting to acquire a file lock. Before this exception is thrown the interrupted status of the previously-blocked thread will have been set.

Since:

1.4
