java.nio.file

Class AccessDeniedException

java.lang.Object
  java.lang.Throwable
    java.lang.Exception
      java.io.IOException
        java.nio.file.FileSystemException
          java.nio.file.AccessDeniedException

All Implemented Interfaces:

Serializable

```
public class AccessDeniedException
extends FileSystemException
```

Checked exception thrown when a file system operation is denied, typically due to a file permission or other access check.

This exception is not related to the AccessControlException or SecurityException thrown by access controllers or security managers when access to a file is denied.

Since:

1.7
